**RENEWED
PETITION TO MAKE SPECIAL UNDER 37 CFR 1.102(d) and
AMENDMENT**

SIR:

PETITION

The present request is a response to the Decision on Petition to Make Special (Accelerated Examination) ('the Decision') mailed on May 15, 2006. This renewed petition supercedes the petition filed on March 13, 2006. The Decision dismissed the petition filed March 13, 2006 as failing to adequately meet requirements (B) "because the petition fails to include an election without traverse, or a statement that applicants are willing to elect without traverse should a restriction or election be required". Applicants now specifically make such a statement in this renewed petition. Accordingly, granting of the renewed petition is requested.

Applicants hereby petition to make the above-reference application special under 37 C.F.R. 1.102(d) and under the accelerated examination procedure described in MPEP §708.02(VIII). A check in the amount of \$130.00 in payment of the government fee for petition under 37 C.F.R. §1.17(h) was previously submitted. Any additional fees or charges required at this time in connection with the present application may be charged to our Patent and Trademark Office Deposit Account No. 03-2412.

AMENDMENT

Please amend the above-identified application as follows:
